

National Head Injury Conference

Thursday 18th September 2025

Scottish Event Campus (SEC), Exhibition Way, Glasgow G3 8YW

Join us for this exciting event that brings together:

- **Professionals & individuals** with lived experience of brain injury
- **World-renowned speakers** sharing expertise and insights
- **Opportunities to earn CPD points** for your professional development
- **Invaluable information** from organisations supporting brain injury recovery
- **Networking opportunities** with service providers and support networks

This free event is for everyone affected by brain injury, offering two spaces for all attendees: a **Professional Space** for healthcare providers to engage with experts, share insights, and earn CPD points, and a **Supportive Space** for individuals and families to access support, information, and resources.
