HELPING GPs DIAGNOSE & REFER

A brain injury can affect every aspect of daily life and yet diagnosing and referring patients can be a challenge for GPs.

Headway's bespoke online management and referral guide can help. Visit it here:

[www.headway.org.uk/
about-brain-injury/professionals/gps](http://www.headway.org.uk/about-brain-injury/professionals/gps)

The online resources available include:

**Acquired brain injury management
& referral factsheets**

Clinical guidelines & academic articles

mTBI assessment tools

Headway - the brain injury association is the UK-wide charity that supports people affected by brain injury.

A NETWORK OF LOCAL HEADWAY GROUPS & BRANCHES

throughout the UK offering a wide range of services including rehabilitation programmes, carer support, social re-integration, community outreach and respite care.

A FREEPHONE HELPLINE

providing information, advice on sources of support, signposting to local rehabilitation services and offering a listening ear to those experiencing problems.

A RANGE OF BMA AWARD-WINNING PUBLICATIONS

on aspects of brain injury, which can be sent free of charge to survivors, family members and carers.
